

YES THIS IS PHE 519 :)

Master of Public Health Practice Experience

Spring 2026 Class Visits

Jamie L. Jones (she/her)

Director of Applied Learning

MPH Health Promotion PE/IP Faculty

SCHOOL OF
PUBLIC HEALTH

Warmup Questions

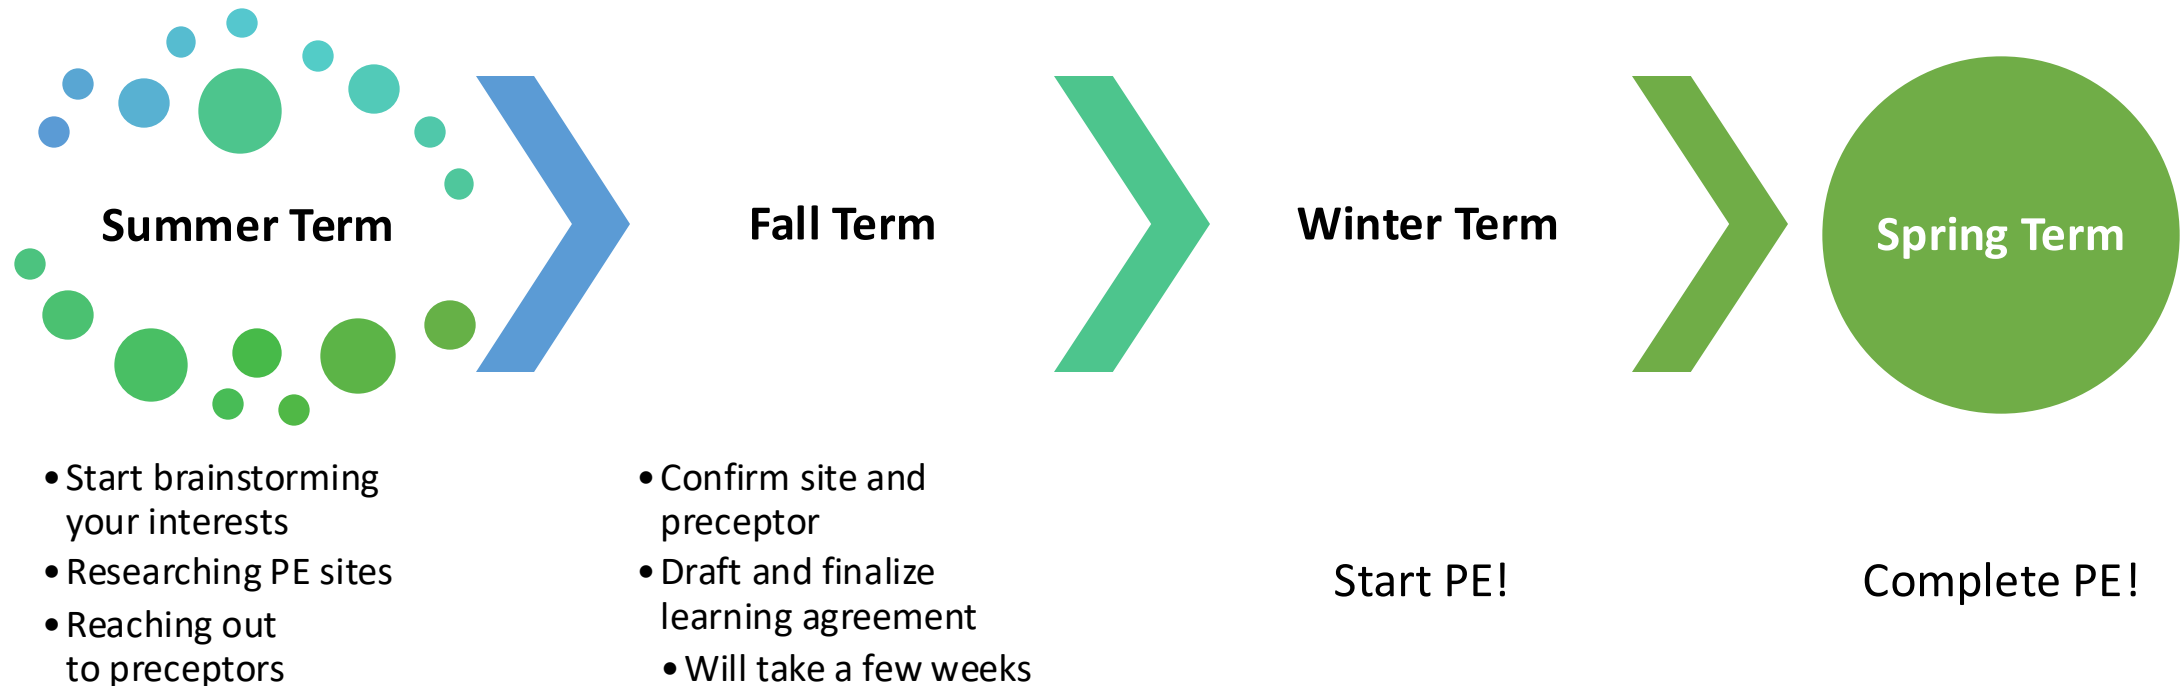

Raise your hand if you:

- Attended the Fall Welcome Intro?
- Have attended a PE/IP Info Session
- Have a PE placement identified?

Practice Experience (PE)

- Required of all MPH programs
- Opportunity to take the knowledge and skills from your MPH coursework and apply them to public health topics in workplace settings
- You must complete all 5 core MPH courses
 - Intro/Est. and Hypothesis Testing for Applied Biostatistics, Epidemiology I, Concepts of Environmental Health, Health Systems Organization, Principles of Health Behavior
 - BSTA + EPI Students – need BSTA/EPI (EPI 536) program courses
- **You are responsible for finding and securing your PE opportunity**

PE Preparation: TWO TERMS in advance

PE Website: <https://ohsu-psu-sph.org/applied-learning-experience/practice-experience/>

Your program PE/IP coordinator approves your PE, reach out to them when you have a placement identified.

Before you can register/start your PE!

Requirements

- PE/IP Info Session
- Canvas Orientation quiz (attach to learning agreement)
- Learning Agreement (due term before PE; need to have site confirmed)

Possible Requirements

- Affiliation Agreements
- IRB Approval (if research is involved)
- International placement paperwork (if in-person abroad)
